## Headline news, market updates, impact of MACRA & a deep dive into accountable care organizations

The 2016 Summer SOS discussion will be led by Benefits Consultant Steve Rees and THR Publisher & Consultant Jim Hammond. The breakfast meetings feature all you have come to expect from The Hertel Report including valuable news and market updates, networking and more!

Our June meetings in Phoenix & Tucson include:

- Headline News: stories impacting the healthcare industry, with a special focus on Arizona.
- A market update on:
  - Provider consolidation
  - AHCCCS
  - Medicare Advantage
  - The Health Insurance Marketplace
- The impact of MACRA on provider reimbursements & quality reporting
- A deep dive into accountable care organizations
- Managing risk for costs & outcomes while delivering value to consumers

*OUR GUEST SPEAKERS will share how ACOs are doing now, and what they will be doing next.*
