

SUMMER STATE OF THE STATE

PHOENIX

Friday, June 30

The Pointe Hilton Squaw Peak Resort

Networking Begins at 7am

*Breakfast Meetings
8 to 10:30am*

TUCSON

Wednesday June 28

The Arizona Inn

Networking Begins at 7:30am

Join **THR Publisher & Healthcare Consultant Jim Hammond** for our June breakfast meetings in Phoenix and Tucson. The conference includes our curated collection of the top stories impacting the Arizona healthcare industry, local market updates and meaningful data and trends for Medicaid, Medicare, Medicare Advantage and the Health Insurance Marketplace. Hammond will also provide insight into Arizona's commercial insurance market and the latest on Arizona's accountable care organizations.

This summer's special guest is **AHCCCS Deputy Director Beth Kohler** who is scheduled to provide an informative recap of the agency's successful initiatives, its recent ALTCS contract award, acute care RFI and subsequent acute bid cycle. We anticipate an informative discussion that also includes a recap of the agency's most recent waiver application and its future projections for the Arizona Medicaid program under the new Trump administration's initiatives to repeal and replace the Affordable Care Act.

Jim Whitfill, Chief Medical Officer of Scottsdale Health Partners and an Advisor to The Hertel Report, will join Jim Hammond during the discussion on local news and markets and will provide his expertise as we examine the Arizona market's future role in value-based payment design, MACRA, MIPS and advanced payment models.
