AZCC Ownership

AZCC Structure

Arizona Connected Care, LLC
an Arizona limited liability company

2016 MSSP

- MSSP covered 7.8 million beneficiaries
- 432 ACOs participated in the MSSP
- Of the 432 participants,
 - 410 were in Track 1.
 - 5 were in Track 2
 - 16 were in Track 3.
- 134 ACOs received savings, representing 31% of all ACOs
- As was the case in previous years, top-performing ACOs earned a disproportionate amount of shared savings, with the top 10 earning roughly 29.5% of the total shared savings
 - Palm Beach Accountable Health (Florida) achieved \$63M in savings
 - Balance ACO (Ney York) had the highest savings rate of 23.57% (benchmark was \$20,721) – AzCC was \$8,769

AZCC MSSP Challenges

- 2016 Loss
- Retrospective Attribution
- Utilization
 - One day stay
 - ER
 - SNF LOS
- 2018 Risk Obligation
