

**ARIZONA • SUMMER 2019**

**STATE OF THE STATE**

Connecting the Arizona Healthcare Community

Register Today: [www.thehertelreport.com](http://www.thehertelreport.com)

## Please join us for our summer State of the State meeting and hear from an all-star line-up of experts:

- Publisher Jim Hammond leads the market update and is joined by the following Arizona healthcare leaders to bring additional expertise and insight into our competitive healthcare market.
- Ann-Marie Alameddine, President and CEO of the Arizona Hospital and Healthcare Association (AZHHA) will discuss collegiality, transparency and community as the industry grapples with change.
- Jon Amores, the Director of Government Relations for the Arizona Medical Association will give us a recap of the winners and losers from the Arizona Legislature and the budget process.
- Suzanne Pfister, President & CEO of Vitalyst Health Foundation will update the audience on the impact of the ACA and how AHCCCS plans and others are addressing the social determinants of health.
- Dan Vincent, Principal of Med Care Senior Insurance Solutions lends his insight on the growing Medicare Advantage market in Arizona.
- Chris Scherzer of The Clear Group Consulting will provide insight into new funding mechanisms in the commercial market, use of value-based networks and the impact of association and short-term plans.
- Blue Beckham, Principal of Blue Sky Health Advisors, provides expertise on value-based contracting in the Arizona market.
